

POSITION OVERVIEW

Job Title: General Radiologist
Department: Columbus Radiology
Reports to: Medical Director
Location: St. Marys, OH

PRACTICE OVERVIEW

Columbus Radiology Corp. (CRC) is experiencing continual growth and expansion to new markets. CRC is the exclusive provider of radiology services at 21 Ohio hospitals and 60 ambulatory care centers across the state of Ohio, including the busiest Level I Trauma Center in the state. Founded in 1946, CRC is the seventh largest and one of the fastest growing practices in the country, now with 110+ board-certified and subspecialty trained radiologists who are committed to excellence – in patient care, physician relations, continuous quality improvement and professional development.

CRC operates an internal 24/7 Results Communication Center support team (CORE = Center of Radiology Excellence) to coordinate care and clinical contact. This clinical team is an extension of our Radiologists, which helps in reducing day to day administrative minutiae. The Advisory Board Company and the American College of Radiology have both recognized this as an innovative customer service function. CRC continually reviews and improves their radiology service through new clinical initiatives, research, artificial intelligence and best practices that provide proven value to patients and payors.

POSITION SUMMARY

CRC is seeking a full-time, **GENERAL** radiologist to support our growing practice in Northwest Ohio. This candidate must be capable of reading all general radiology, including breast and maintain a desire to work in a collaborative environment with local referring physicians. *This position will act as Medical Director of Radiology for a full-service, comprehensive care facility.*
