- Substantial moonlighting and incentive opportunities
- 12 Weeks PTO (includes 10 week blocks plus additional random days off to total 12 weeks PTO)
- Accelerated leadership opportunities
- Full benefits

PRACTICE OVERVIEW

Founded in 1946, Columbus Radiology Corporation (CRC) is the seventh largest and one of the fastest growing practices in the country, now with 150+ board-certified and subspecialty trained radiologists who are committed to excellence – in patient care, physician relations, continuous quality improvement and professional development. Our long-standing history displays our practice stability, which has allowed us to diversify our book of business throughout the state of Ohio and experience continual growth and expansion into new markets. CRC is the exclusive provider of radiology services at 29 Ohio hospitals and 70 ambulatory care centers across the state of Ohio, including the busiest Level I Trauma Center in the state.

CRC operates an internal 24/7 Results Communication Center support team (CORE = Center of Radiology Excellence) to coordinate care and clinical contact. This clinical team is an extension of our Radiologists, which helps in reducing day to day administrative minutiae. The Advisory Board Company and the American College of Radiology have both recognized this as an innovative customer service function. CRC continually reviews and improves their radiology service through new clinical initiatives, research, artificial intelligence and best practices that provide proven value to patients and payors.

POSITION DUTIES AND RESPONSIBILITIES

- Comfortable with all modalities within subspecialty
- Comfortable reading general radiology for outpatient, inpatient and emergency medicine
- Opportunities to grow in both clinical and non-clinical roles within the practice

DESIRED PROFESSIONAL SKILLS AND EXPERIENCE

- Licensed or able to be licensed in the state of Ohio
- Board certified or Board eligible in Diagnostic Radiology by the American Board of Radiology
