- 7 Weeks PTO
- Full benefits
- Accelerated leadership opportunities

All roles with CRC offer substantial moonlighting and incentive pay opportunities with some radiologists earning over **\$1 million** in annual total compensation and partner compensation averaging \$600K annually.

**PRACTICE OVERVIEW**

**Physician Owned. Physician Led.** Founded in 1946, Columbus Radiology Corporation is the fifth largest and one of the fastest growing practices in the country, now with 150+ board-certified and subspecialty trained radiologists who are committed to excellence – in patient care, physician relations, continuous quality improvement and professional development. CRC is committed perpetual improvement through new clinical initiatives, research, artificial intelligence, and best practices that provide proven value to patients and payors.

CRC operates an internal 24/7 Results Communication Center support team, “CORE” (Center of Radiology Excellence) to coordinate care and clinical contact. This clinical team is an extension of our Radiologists, which helps in reducing day to day administrative minutiae. The Advisory Board Company and the American College of Radiology have both recognized this as an innovative customer service function.

**DESIRED PROFESSIONAL SKILLS AND EXPERIENCE**

- Licensed or able to be licensed in the state of Ohio
- Board certified or Board eligible in Diagnostic Radiology by the American Board of Radiology
- This position is heavily concentrated on Breast Imaging and Procedures
